<input type="checkbox"/>	Programmable Logic Controllers \$170

Total Cost	\$
------------	----

**Option 1:** Students may enroll with a Full Registration into the complete program

**OR**

**Option 2:** Students may register on a Pay-as-you-go basis, for example, initial registration, which includes the Interactive Learning package (**ILP**), and Module 1, at \$430, with each remaining module at \$65/module. Students must purchase the ILP and Module 1 to begin the program. Other modules can then be purchased at a later date, singly or in groups. Total cost to complete the program is \$1600.

**Please** indicate the full program or the specific modules you wish to register into with a ✓ in the corresponding box.

This **Textbook** is available as an optional supplement.
